Sub: Allocation of certain Gazetted officers of the Medical Department to the Mysore State - Issue of formal orders of allotment.

cf

Ref: From the D.M.S., Madras: Letter No. 121-E1/54 dated 28th May 1954.

The letter in the c.f. and the note of H.E.L.A. Department on page 8 thereof may be perused. All the 7 officers mentioned in the letter on p.1 c.f. were proposed for permanent allotment to the Mysore State consequent on the transfer of the 7 taluks of Bellary Dt. to that State in connection with the formation of the Andhra State. Out of these 7 officers the first 5 were working in the transferred territory even prior to the partition. Dr. M.N. Chennabasappa and Dr E.A. Krishnamoorthy were however working in the Madras State. The Government of Mysore have accepted the permanent allotment of all these officers. As the first 5 officers were actually working in the transferred territory even prior to the partition of the State they should be deemed to have been allocated to the State of Mysore with effect from 1-10-1953. There is however no provision in the Andhra State Act 1953 under which ~~a formal~~ an allotment order has to be issued in these cases. The allotment has been made by mutual consent between the two states and it is outside the scope of the Andhra State Act 1953. Anyhow if the A.G. requires a formal allotment order in respect of these officers H.E.L.A. Department may issue a suitable executive order allocating the first 5 officers to the State of Mysore with effect from 1-10-1953.

See pp 17-18 of 4I

See p33 of 4I and p121 of 4II This may be pointed out to the A.G

2. In the case of Dr. M.N. Chennabasappa who was serving in the Madras State his allotment to the State of Mysore should be made with effect from the date of his actual relief from this State. Sri Chennabasappa was appearing for his M.S. examination and the Govt. of Mysore were specifically requested to issue posting orders in his case towards the middle of April, 1954 to enable him to appear for his M.S. examination. They accordingly issued posting orders to Sri Chennabasappa on 20th April, 1954. H.E.L.A

department may therefore issue the allotment order in his case with effect from the date of his actual relief from the State.

In the case of Sri E.A. Krishnamoorthy who was also serving in this State the posting orders were issued by the Government of Mysore on 20th April 1954. The allotment order in his case also should therefore be made with effect from the date of his actual relief from the State. H.E.L.A. Deptt. is requested to issue necessary orders on the above lines and communicate copies to the D.M.S, Madras, Accountant General, ~~Madras~~ and also to the Government of Mysore. The case may be returned to H.E.L.A. for issue of necessary orders.
